The screenshot displays the DocuSign web application interface. At the top, there's a navigation bar with 'Home', 'Agreements', 'Templates', 'Reports', and 'Admin'. Below this, the 'Inbox' section is active, showing a list of documents. A 'Date' filter dropdown is open, highlighting 'Last 6 months'. The document list includes items like 'testing' (Completed), 'Complete with DocuSign: Temp' (Completed), and several 'Complete with DocuSign: LIRTI' documents (Need to sign). Each document row shows its name, status with a progress bar, the last change date/time, and action buttons like 'Download' or 'Sign'. The sidebar on the left contains 'Start Now' and 'ENVELOPES' sections. The bottom of the screen shows a Windows taskbar with various application icons and a system tray with date and time.
